## Proposed Amendment to Land Use Bylaw

The City of Leduc is divided into land use districts to manage the location of development and ensure good planning for the municipality. Each district, under the Land Use Bylaw, has permitted and discretionary uses as well as development regulations for those uses. To change a land use district from what is existing under the Land Use Bylaw, the proposed amendment must be published to allow citizens an opportunity to clarify what is proposed, ask questions, or present objections at a required public hearing held prior to Council approving the amendment.

### Bylaw No. 1168-2023

The purpose of proposed Bylaw No. 1168-2023 is to amend Bylaw No. 809-2013, the Land Use Bylaw of the City of Leduc, by redistricting part of the NE and SE ¼ Sections 1-50-25-W4 from UR – Urban Reserve to IM – Medium Industrial and US – Urban Services. The rezoning will allow continued industrial development within an area of undeveloped land in Leduc Business Park. This redistricting also includes a new storm water management facility which will service this stage along with future development on the remaining lands within the Leduc Business Park.

A copy of the proposed bylaws that will be presented to City Council may be inspected by the public between the hours of 8:30 a.m. and 12:00 noon and 1:00 p.m. and 4:30 p.m. at the Office of the City Clerk, City Hall, Leduc Civic Centre, 1 Alexandra Park, 46th Avenue and 48A Street, Leduc, Alberta.
