

Leduc Community
Hospital Foundation

CELEBRATING 30 YEARS | 1993-2023

VISION

A community in which individuals are healthy and well.

MISSION

The Leduc Community Hospital Foundation mobilizes the power of volunteers and the generosity of donors and partners to elevate the health and wellbeing of the community.

ABOUT US

We are a registered charity guided and governed by a dedicated, volunteer Board of Trustees.

The Executive Director, who reports to the board, is responsible for the day-to-day operations and administration.

OUR PEOPLE

A small but mighty team

Board of Trustees

Christina Forth, Chair
Camille Bailer, Vice-Chair
Lynette Hayden, Treasurer
Ali Gibbon, Secretary
Kirsha Campbell
Besy Candray
Kristina Dembinski
Brenda Reimer
Roger Villa

Staff

Colleen Zimmerman
Executive Director
Kailey Cardwell
Social Media & Marketing

Volunteers

More than 30 dedicated people who aid and assist us throughout the year

WHAT WE DO

Since 1993, we have worked with community partners to enhance services at local health care facilities.

We raise and distribute funds to support health care in our community.

SUPPORTING HEALTH CARE

From a microwave in a family lounge at the hospital, to palliative care initiatives, medical unit enhancements or state-of-the-art high-tech equipment such as the CT scanner, no need has been too big or small.

And now a new opportunity is on the horizon.

AN EXCITING OPPORTUNITY

Leduc Community Hospital Emergency Room Renovation -Project Scoping Study-

Our community is growing and the need for an extensive ER renovation is important to the future of emergency care in our community.

A project scoping study and report is the essential first step in undertaking such a significant capital project.

The Foundation can expedite this step by funding the study (vs. AHS pursuing it through internal channels).

AN EXCITING OPPORTUNITY

Leduc Community Hospital Emergency Room Renovation -Project Scoping Study-

AHS has estimated the study will cost up to \$35,000.

Organizations and municipalities are experiencing the impact of current fiscal constraints – it is not possible for a single group to fund the study and report.

The Foundation is seeking partner funding to complete this study in 2024 with the cost split between the Foundation, the City of Leduc and Leduc County.

Other foundations in Alberta have used this approach to expedite and support much-needed capital projects in their communities.

YOUR CONTRIBUTIONS

The City of Leduc has been a committed supporter of the Foundation for many years.

- Sponsoring the Charity Golf Classic, Hockey Classic and other events –
 - Major sponsor of ‘Bringin’ the Country Back’ drive-in concert –
 - Attending and promoting our events –
 - Numerous donations and financial contributions –

Thank you!

OUR REQUEST

We are requesting **\$11,700** in funding support from the City for the project scoping study for the Emergency Room (ER) renovation at the Leduc Community Hospital.

QUESTIONS?

THANK YOU

We value our relationship with you and look forward to your continued support.

(780) 980-4536

lchfoundation@ahs.ca

With gratitude.
