LPACT Continued

Highlights

- LPACT has been educating community partners about the resources and support LPACT can provide as well as general duty members.
- A highlight has been numerous clients in the geriatric population experiencing late onset delusional disorders. LPACT assisted them and since they were Apprehended on a form 10, they have been discharged, taking new medication, and have not needed police service presently.
- Assisting General Duty with a Suicidal and homicidal male who was going to be released from the health care system. Firearms seized by members and liaised with health staff to ensure the male was readmitted for emergent mental health assistance.

Crime Reduction Unit

Leduc RCMP Crime Reduction Unit (LCRU) took carriage of this investigation. With the assistance of the Central Alberta District Crime Reduction Unit, RCMP determined a stolen welder and welding trailer were at a residence in the South Park area of Leduc.

LCRU with the assistance of Leduc's General Investigation Section and Drug Unit, executed a search warrant at the residence in Leduc and seized 40 welders with an approximate value of \$140,000.

One male was charged with possession of property obtained by crime over \$5,000 and possession of property obtained by crime for the purpose of trafficking over \$5,000. Court is still ongoing.

Crime Reduction Unit

Leduc CRU is actively working on multiple files where 2 suspects have entered LRC change rooms and stole stuff from lockers. We believe it is the same 3 suspects. These suspects have been identified and are currently being targeted by the EPS Prolific Offender Management Program as well. Leduc files are ongoing.

General Investigation Section (GIS)

Rural Home Invasion where an elderly male was beaten and threatened with firearms and many items in his home were stolen. This lengthy and complex investigation required 11 various Judicial Authorisations which included DNA comparison and video surveillance that led to one suspect being interviewed and charged this quarter. Investigative efforts are still ongoing for the remaining 2 suspects.

General Investigation Section (GIS)

In the last month, a robbery with a firearm occurred at a local bar. The investigation culminated in a warrant for arrest being issued for a transient individual responsible for the offence.

A second robbery with a firearm occurred last week and Leduc GIS is currently utilising investigative methods which include identifying and obtaining statements from witnesses, video canvassing and two photograph-lineup's.

GIS-Drugs Unit

Trafficking – Schedule I: Methamphetamine 5(1) CDSA

The Leduc Drug Unit concluded a drug trafficking investigation with a search warrant at a residence in Leduc. 30 grams of Methamphetamine, 25ml Gama-hydroxybutyrate, Cocaine, MDMA, Psilocybin, digital scales and baggies were all located as a result. Value of drugs seized is approximately \$2,523.00. One male from Leduc was charged with three counts of trafficking methamphetamine and two counts of possession for the purpose of trafficking.

The Leduc Drug Unit concluded a drug trafficking investigation with a search of a vehicle in the area of Leduc. 246g of Methamphetamine worth approximately \$17,000 was seized along with \$5,930 in cash. A female from Leduc was charged with possession for the purpose of trafficking Methamphetamine and possession of proceeds of crime.

GIS-Drugs Unit

Ongoing Investigations

The Leduc RCMP Drug team is actively engaging to curb the drugs being sold and purchased in the community. So far this quarter, the Leduc Drug team have taken the below drugs off the streets in ongoing investigations. These are in addition to the files mentioned previously.

287g Crack Cocaine – Approx Value \$25,830

63g Cocaine - Approx. Value - \$5670

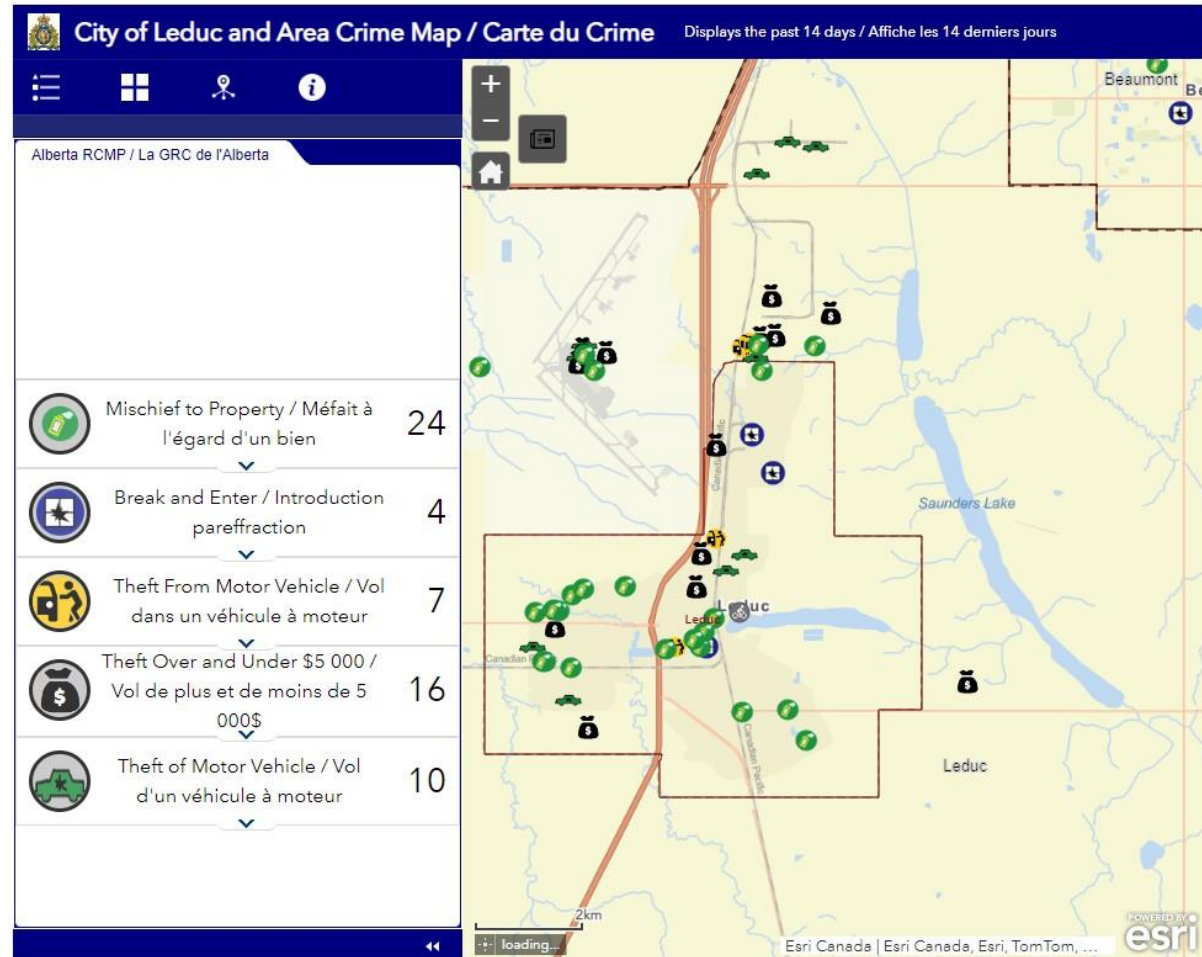

Purchase of Fentanyl

Purchase of Methamphetamine

Crime Mapping & Reporting

- › Initiatives like the D2A demonstrate just how important it is to report and document criminal activity
- › The more intelligence we can gather, the more effective we can be in the community
