

NOTICE OF PUBLIC HEARING

Proposed Amendment to Land Use Bylaw

The City of Leduc is divided into land use districts to manage the location of development and ensure good planning for the municipality. Each district, under the Land Use Bylaw, has permitted and discretionary uses as well as development regulations for those uses. To change a land use district from what is existing under the Land Use Bylaw, the proposed amendment must be published to allow citizens an opportunity to clarify what is proposed, ask questions, or present objections at a required public hearing held prior to Council approving the amendment.
