# Administrative Guests- FCSS Staff

- Informative and engaging
- Learn about what the department does and what is coming up
- Feel the passion and commitment from each of them
- Enjoy putting a face to the name and position/title
- Learn the pressures or trends of each demographic
- Informs on what to champion and endorse in the community to other residents

# Grants to Organizations

- Review and make recommendations for any social service funding applications.
- This year, in collaboration with the PRC board we presented to Council our proposal to not accept any late or incomplete applications.
- Support administration in presenting recommendations to Council as part of the annual budget process.

# Ongoing Community Support Funding

- Review final reports- including written and financial reports
- Review and provide recommendations to any funding requests
- Identify any additional questions or information needed from organizations

# Getting Involved

**Eager to find opportunities for community involvement.**

**Participation in review of Municipal Grants Policy and Procedures.**
