

NOTICE OF PUBLIC HEARING
PROPOSED AMENDMENT TO LAND USE BYLAW

The City of Leduc is divided into land use districts to manage the location of development and ensure good planning for the municipality. Each district, under the Land Use Bylaw, has permitted and discretionary uses as well as development regulations for those uses. To change a land use district from what is existing under the Land Use Bylaw, the proposed amendment must be published to allow citizens an opportunity to clarify what is proposed, ask questions, or present objections at a required public hearing. Council will consider all comments before voting on whether to approve the amendment.

Bylaw No. 1212-2025

Bylaw No. 1212-2025 will amend Bylaw No. 809-2013, Section 27.0 – Land Use Map, by redistricting part of the SW ¼ Section 19-49-24-W4 from MUR – Mixed-Use Residential and UR – Urban Reserve to RCD – Residential Compact Development and GR – General Recreation. The redistricting will allow for continued residential development in part of the Robinson neighbourhood as Robinson Stage 14.

Bylaw No. 1212-2025 proposes to redistrict an area of land in Robinson to allow for one hundred twenty (120) additional lots in Stage 14, which include:

- RCD – Residential Compact Development:
 - o Twenty-six (26) duplex parcels;
 - o Thirty-three (33) single detached lots, for zero lot line construction; and
 - o Forty-four (44) single detached, standard development.
- GR – General Recreation:
 - o One (1) park lot for active or passive park development adjacent to developed residential lands; and
 - o One (1) park lot for multiway development behind new lots within the stage.

An additional fifteen (15) lots were previously redistricted to MUR – Mixed-Use Residential in 2018 which also allows for townhouses within this Stage 14 development area.
