REPORT TITLE: Bylaw No. 1057-2020 (Municipal Development Plan 2020)(Public Hearing)

EXECUTIVE SUMMARY

This report accompanies Bylaw No. 1057-2020 (“Bylaw”) adopting the *Municipal Development Plan 2020* (“MDP”), as it is presented for public hearing after being given first reading at the July 6, 2020, Council meeting (2020-CR-0111). Administration has been working since 2019 to update the MDP, ensuring that it supports the community’s values and Council’s vision while aligning it with the Edmonton Metropolitan Region Growth Plan. This process has included extensive public engagement conducted May – September 2019 and a virtual open house held April 28 – May 18, 2020, to collect the public’s feedback in the midst of the COVID-19 pandemic. This Public Hearing is the last opportunity to hear from the public regarding the MDP before it is approved by Council.

NEXT STEPS

Administration will submit the MDP to the Edmonton Metropolitan Region Board for approval under the Regional Evaluation Framework. Once the Bylaw is approved, Administration will return to Council for Second and Third Reading prior to October 26, 2020.
