

■ PUBLIC HEARING

2020 Municipal Development Plan

Aug. 17, 2020 | 7 p.m.

We're hosting a public hearing on the proposed Municipal Development Plan 2020 (Bylaw 1057-2020) and we're encouraging citizens to participate through one of the following methods:

- Written submission provided to the City Clerk's Office by 4:30 p.m. on Aug. 14, 2020 (email city_clerk@leduc.ca)
- Virtual attendance by registering with the City Clerk's Office
- In-person attendance (health and safety protocols will be in place. Please contact the City Clerk's Office to register and to get more information)

The MDP is a high-level, long-range planning document used by council and administration to direct choices around the use of land, community service priorities and investment in infrastructure. Since the last review in 2012, Leduc has grown exponentially and this document is updated to reflect Leduc's unique position in the Edmonton Metropolitan Region and modernize our land use policies.
