

BREAKDOWN OF AMENDMENTS (RATIONALE)

Section of Bylaw 809-2013	Description of Amendment	Rationale
PART 7: SPECIFIC DISTRICT REGULATIONS		
24.1 Signs Not Requiring a Development Permit - Section 24.1.1.4	Update the election sign regulations with the following: <ol style="list-style-type: none"> 1) Delete reference to Hospital Board elections 2) Amend the sign placement start date from no more than thirty (30) days to commence on Nomination Day 3) Include a list of all prohibited locations 4) Include siting description to ensure traffic safety and visibility are maintained 	For clarity, Hospital Board election sign is not applicable in Leduc. For consistency, the sign placement start date will follow the <i>Local Authorities Election Act</i> . For clarity, the prohibited locations and siting description provide guidance for candidates on where and how election signs can be placed. This ensures the aesthetics, traffic safety, and sightlines are maintained; and will support the enforcement of any non-compliance or complaint received. Language is assessment-based and less prescriptive to achieve the intended purpose without restricting potential popular locations with minimal impact.
