Proposed change to the City of Leduc Land-use Bylaw Black Stone Stage 4 - Rezoning

The City of Leduc is divided into land-use districts to manage the location of development and ensure good planning for the municipality. Each district under the Land-use Bylaw has permitted and discretionary uses as well as development regulations for those uses. To change a land-use district from what is existing under the Land-use Bylaw, the proposed amendment must be published to allow citizens an opportunity to clarify what is proposed, ask questions, or present objections at a required public hearing held prior to council approving the amendment.

Bylaw No. 1078-2021 Black Stone Stage 4

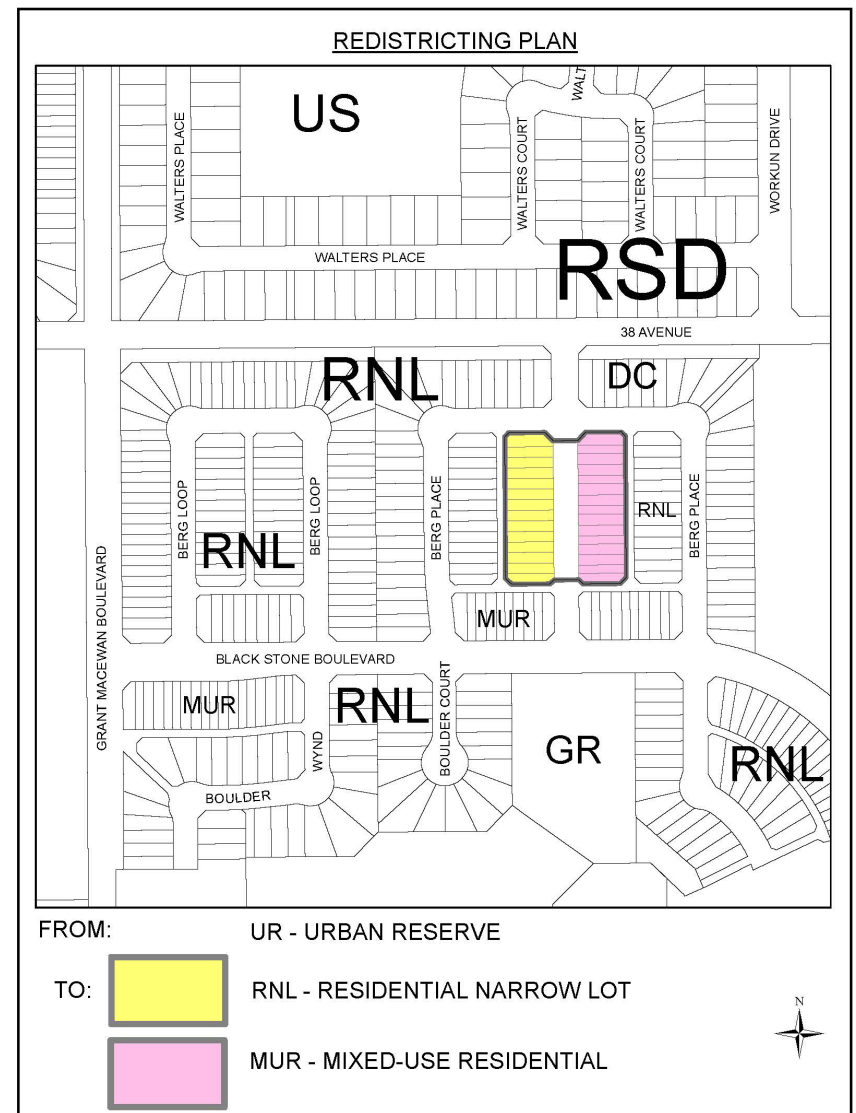

The purpose of proposed Bylaw No. 1078-2021 is to amend Bylaw No. 809-2013, the Land-use Bylaw of the City of Leduc, by redistricting part of the W ½ of the NW 22-49-25-W4 from UR – Urban Reserve to RNL – Residential Narrow Lot and MUR – Mixed-Use Residential.

The RNL and MUR land-use districts are intended to provide an opportunity for more efficient use of land and a more compact urban form. The proposed redistricting will allow for 14 lots for single detached, zero lot line homes and 15 street-fronting townhouse units as a continuation of residential development in the Black Stone neighbourhood.
